

# Philanthropist of the Year Application

Purpose: Philanthropy can be considered the cornerstone of the success for charitable organizations. In an effort to recognize the individuals promoting philanthropy, the McPherson County Community Foundation has developed an entitled "Philanthropist of the Year."

Deadline: Friday, October 23, 2009

Award: A \$300 grant will be given to nominating organization.

Criteria: McPherson County resident, nominated by an organization

Nomination process: Staff or board members of charities operating in McPherson County are encouraged to submit applications describing the philanthropic efforts of one or more volunteers working with their organization.

Selection Committee: The public relations committee will be responsible for reviewing applications and recommending the recipient to the board of directors for approval.

Announcement: The winner will be announced at the annual recognition luncheon. A grant will be distributed to the organization and a gift commemorating the award will be given to the winner.

Name of Nominee: \_\_\_\_\_

Number of years volunteering for the nominating organization: \_\_\_\_\_

A philanthropist has been defined as a person who endeavors to help humankind, as by charitable aid or donations. Why do you consider this person a philanthropist?
