

Giving Hope

Giving Hope is a new fund set up by Home State Bank & Trust to help cancer patients in McPherson County.

All donations made to the Giving Hope fund will be dispersed to selected cancer applicants to help them with expenses such as: gas, medical bills, prosthetics, wigs, etc.

With your help we can give hope to those in need right here in our own community.

Donations to this fund can be made out to the McPherson County Community Foundation (MCCF) - Home State Bank Giving Hope Fund and are tax deductible. You can drop your donations off at any Home State Bank location.

For additional information contact Home State Bank at 620-241-3732 or the McPherson County Community Foundation at 620-245-9070.
